

Screen Enclosures

**ENJOY THE SERENITY AND BEAUTY THAT
MOTHER NATURE HAS TO OFFER.**

Your Backyard Getaway.

There's an unseen world of beauty waiting for you - right outside your back door. A private world you can marvel at, alone with your morning coffee or together with friends and family. It's there - waiting to be enjoyed - waiting for a Four Seasons Building Products Screen Enclosure to make it picture perfect.

Adding a Screen Enclosure to your home isn't just a home improvement, it's a lifestyle improvement. One that becomes a focal point of activity - a sunshine filled place where everyone feels more comfortable and more peaceful. Four Seasons Building Products has everything you need to create that special place - quality materials, expert workmanship, and a transferable lifetime warranty.

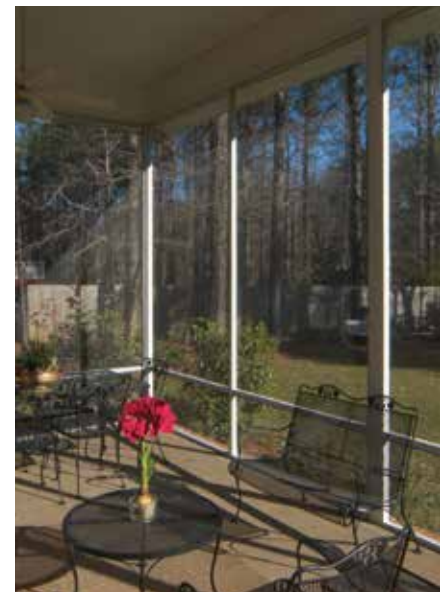

Our Warranty is the Best in the Industry.

Four Seasons Building Products Screen Enclosures come with a transferable Lifetime Warranty*, which means you can enjoy your new space with no worries!

Enjoy The Outdoors

without the pests of Mother Nature. Your new Screen Enclosure will allow you to enjoy the fresh air of Spring and Autumn without the rain and the warmth of a Summer evening without the insects.

*Subject to terms and conditions.

Your Own Outdoor Living Space.

Screen Enclosures are economical and quick to install. Each Enclosure is custom designed and built to suit your needs. The aluminum framing and baked-on finish is impervious to the elements, ensuring against corrosion and warping.

Whatever the activity- reading, visiting, al fresco dining - a Screen Enclosure provides a unique, bug-free outdoor living space to be enjoyed rain or shine, night or day.

The Design Options Are Limitless.

Options

A Options abound when it comes to a Screen Enclosure design. We understand that each home is different, which is why we offer an array of options to choose from. The result: an outdoor living space that perfectly suits your needs and your home's architecture.

Colors

Tran We offer an array of colors as well as your choice of distinct textures that will make it easy to design a Screen Enclosure that perfectly compliments your home. Contact your local dealer for color selections.

Gutter & Downspouts

Gutters and downspouts are options that channel rainfall away from your Screen Enclosure and your home's foundation.

Options

Four Seasons Building Products offers several different systems to fit the distinct requirements of your Screen Enclosure. Our full screen wall offers the perfect outdoor feel with a maximum view, while keeping insects out. Add a kick panel to keep out dirt, grass cuttings, and other debris. We also offer a solid knee wall design with insulated LWP (Laminated Wall Panels) should you decide to transform your Screen Enclosure to a glass Patio Enclosure at a later time. Our picket system is designed for added safety and when required by building codes.
